

MULTI-GRIP

Slip Resistant Additive

A Micronized polymer, MULTI-GRIP Additive creates a safe, textured surface.

The light weight, clear spears suspend easily in Multicoat Products.

Additional slip in traction for your concrete coatings.

- ✓ Puts "GRIP" on Concrete Surfaces
- ✓ Ideal For Pool Decks
- ✓ Will Not Affect Top Coat Color
- ✓ Wears Longer
- ✓ Easy to Walk On
- ✓ For Inclined Driveways, Patios

EASY TO USE INSTRUCTIONS

Add appropriate amount of **MULTI-GRIP** into Multi-Stain, Colorseal, Clear Seal or Seal Brite CA or other paints to achieve desired surface slip resistance texture. Typically 3 ounces per gallon will give you a good starting point to determine if this ratio will be rough enough. Mix well with a mechanical mixer and apply with roller as normal. Periodically remix to insure all particles are fully suspended in material for even distribution.

GHS-US Classification

WARNING:

Eye Irritant, Category 2

Causes Eye irritant

May Cause Cancer

CAS NO:	Ingredient
9003-07-0	Polypropylene
VOC:	0 g/l—0.0 lbs/gal
NON PHOTOCHEMICALLY REACTIVE	

CAUTIONS

Use only with adequate ventilation. To avoid over-exposure, open windows and doors or use other means to ensure fresh air entry during application and drying. If you experience eye watering, headaches, or dizziness, increase fresh air, or wear respiratory protection (NIOSH approved) or leave the area. **FIRST AID:** In case of eye contact, flush with large amounts of water. Get medical attention if irritant persists. IF swallowed, call poison Control Center, hospital emergency room or physician immediately.

DO NOT TAKE INTERNALLY

KEEP OUT OF REACH OF CHILDREN
