Education for The Consciously Curious

Partnering the Chakras

Partnering the Chakras brings conscious alignment to organic energy partnerships and encourages balanced flow.

The Partnerships are:

- 1st & 3rd – Body & Volition
- 2nd & 5th – Emotions & Self-expression
- 3rd & 6th – Ideation & Volition
- 4th & 7th – Affiliation & All That Is

Imagine streaming a figure 8 of energy between the paired Chakras.

Notice any sense of balance, alignment and/or integration.
