The Sermon

Rev. Dave Kulp

Repetition, Reminders and Requests (Re: Redemption)

John 17

I. Repetition: Glory, They, Given

II. Reminders Of What Is Already True

III. Requests For What Is Not Yet True

REFLECTION AND APPLICATION

1. Which of these reminders did you most need to hear this morning: You are not of this world, you already have eternal life, God loves you like he loves Jesus, You have been and are “guarded” by Jesus? Why did you need to hear that? What difference would it make if the Lord helped you deeply grasp that truth?
2. Politics, race issues and Covid-19 are making some feel like our world feel more divided than ever. Do you think that is the case? What opportunity is there for the church to serve as a witness in the midst of this deeply divided culture?
3. How does our church need to respond to or apply John 17 specifically? What step towards unity could you take today?
